MAIN WORDING

You might want to include: your ceremony venue information; details of your reception - including venue, address and what time it starts; accommodation options; gift registry; and details of how to RSVP if not using a separate card.

Please add paragraph breaks as necessary, and you can add any sub-headings (such as "Venue") by typing all in uppercase on its own line.

You have space for approximately 150 words with paragraphs and headings—but we'll let you know if what you want included won't fit.
